SURNAME	CHRISTIAN NAME(S)	Parish / Town/ Village	DATE	BMD/ bpt/ bur	Relationship

*After DATE, use abbreviation for event: B=birth, bpt.=baptism, M=marriage, and D=death, bur.=burial.
 Please show your relationship to ancestor in last column: F[father], G/F[grandfather], G/G/F or G/M[grandmother], etc.

If you know the details of your emigrant ancestor, the information can be entered in our "**strays file**" which shows detail of a Manx-born person who died, married or is recorded on a census in another place. It was usual for the new country of residence to record the details of origin when the person arrived. The Isle of Man rarely kept records of those who left the Island. The strays file may provide information that will help other members. Your name will be attributed but not your contact details.
